

# **Fastpitch Softball Pitching Instruction**

## **Karissa Junker**

I give private lessons to all levels, beginning to advanced. I also do small group clinics throughout Minnesota for all levels, including coaches.

I pitched for Stillwater high school where we won the 95' and 96' State Championships. I was named Metro player of the year in 96'. I then played for St. Cloud State University where I was a three time first team All-American. I'm in the Hall of Fame - St. Croix Valley Sports, St. Cloud State, and NCAA Division II. I have been a softball coach and a private pitching coach for 15+ years. I've coached college level, high school, junior high and local community leagues.

Text or a phone call is the best way to get a hold of me.
