

PARTY ZONE

It's party time in the TradeWins Zones.

The Zone Party/Play Pack is an ideal way to celebrate a birthday, or just get a group together to play or burn some energy on a rainy day!

The Zone Party Pack is for boys or girls ages 5 & up, includes our entire facility (the smaller sports zone, the batting cage area and the hockey zone) and the activities will be supervised/assisted with by our staff (activity options detailed below).

Parent/guardian may bring in pre-made pizza or pre-made sandwiches and desert (no ice cream, sorry). We will set up an area for the guests to eat and take care of the clean-up.

Call 651-464-2994 with question and/or to make a reservation.
